

The Louisiana Center for Promotion of Optimal Health Outcomes: A Joanna Briggs Institute Center of Excellence

invites you to attend a 5-day workshop.

Certified Systematic Reviewer Training

incorporates theory and hands-on experience to provide participants with rigorous methods and evidence-based instruments to appraise and synthesize research literature. Participants will develop a focused question, search for relevant literature, and appraise and synthesize evidence arising from research. Interactive training is activity-driven using JBI software to perform meta-analysis and meta-aggregation of selected studies.
