

# HESI

## HESI NG ALC Student Registration Instructions

### Prometric Testing

Follow the steps below to register and schedule your HESI Distance Testing exam.

#### Create or Log into Your Evolve Account

1. Go to: <https://evolve.elsevier.com/>
2. Click Sign In (top right).
  - a. If you already have an account, log in.
  - b. If not, select Create Account and complete registration.

#### Register for Your Exam

1. Click or copy and paste the direct link provided below into your browser.  
**Student Registration Link:**
2. Click “Go to Registration” in your HESI course. If prompted, you do not need to select a cohort.
3. Ensure your name exactly matches your government-issued ID.
4. Click “Register.”
5. Request accommodations (if needed).
  - a. Submit documentation and wait for approval before scheduling. Processing may take several weeks.
6. Book your exam date and time with Prometric.
7. Save your confirmation details: record your confirmation number and retain your Prometric confirmation email.
8. For remote (ProProctor) exams, complete the system readiness check in advance: <https://rpcandidate.prometric.com/>

#### Important Test Day Information

- Bring a valid, non-expired government-issued photo ID that exactly matches your Evolve account name and your registration confirmation number
- For in-person exams, arrive at your selected Prometric test center for your appointment time.
- For remote exams, launch your exam at: <https://rpcandidate.prometric.com/>

#### Access Results and Remediation

- To access results/remediation, log into your Evolve account, click “My Evolve,” click into the HESI Next Generation Course, and review your results and remediation from the left-hand navigation.
