RESEARCH/GRANTS:

Research Projects Non-Funded:

2007-2009	Emergent Crisis Leadership -Principal Investigator. Capella University
2007- 2010	Public Health Nursing Research Agenda – Association of Community Health Nurse Educators. Co-Investigator. Updating 2001 ACHNE national public health nursing research priorities.

CURRICULUM VITAE

- 2004 **Public Health Nursing Research Priorities.** Principle Investigator. Established research priorities for American Public Health Association Public Health Nursing Section.
- 2001 **Public Health Nursing Research Agenda – Association of Community Health Nurse Educators.** Co-Investigator. Reviewed extant literature to determine areas for public health nursing research funding and research priorities.
- 1997 **Predictors of Success in the BSN Program.** Principal Investigator. Identified basic science courses and GPA that predicted success on NCLEX-RN.
- 1996 **Risk Behaviors of Women Who Have Sex with Women in New Orleans.** Principal Investigator. Identified demographic, behavioral, social and sexual risk behaviors of African American women in New Orleans.
- 1995 **Reasons RN Return to School.** Co-Investigator – proposal development, data collection and data analysis. Examined primary reasons Diploma and Associate degree nurses pursued a BSN.
- 1994 - 1995 Doctoral Dissertation: **Relationship of Cognitive Health Behavior Model and Emotional State to Anal and Oral Practices of Homosexual Males.** Principal/Student Investigator. Self-efficacy identified as a significant determinant of safer sex practices in men.
- 1993 **Three Year Retrospective Study of Universal Precautions Compliance.** Principal Investigator with Co-investigator Dr. Ronald L. Nicholls. Supported by Tulane University Medical Center. Identified significant non-compliance issues with Universal Precautions.
- 1989 Masters Thesis: **Sexual Behavior Changes of Homosexual Males in Response to AIDS.** Principal/Student Investigator. Identified recidivism as a major issue in the gay male community. Identified some areas of sexual behavior changes in response to AIDS.

Research Projects/Grants – Funded:

Date Title/Topic/Funding Source/Amount

- 2005 **Region VI Title X Family Planning – Office of Population Affairs** – Awarded \$460,000. Co-Investigator. Conducted Family Planning training in Region VI (Louisiana, Arkansas, Texas, Oklahoma, and New Mexico). Provided 20 consultations throughout Region VI on the integration of men’s health services into public health family planning clinics. Educated over 250 participants in male family planning services with continuing education credit. Developed DVD/CD-ROM on male genital examination adopted nationally to train physicians and advanced practice nurses.
- 2002 **New Orleans UJIMA Project (HIV Prevention Case Management in African American Male Intravenous Drug Users)** – SAMHSA Grant – Awarded \$2,500,000 (for 5 years). Co-Investigator and Project Evaluator. Provided HIV prevention education, case management services, substance abuse counseling, and HIV testing to over 100 incarcerated men on release and over 500 men in general population. 18% of the men tested were HIV infected and provided immediate HIV medical treatment. 60% of men have maintained behavior changes to include sobriety, decreased criminal activity, and chemical dependency.
- 2002 **SLAC Capacity Building Assistance Program (Capacity Building for Minority Community Based Organizations)** – Office of Minority Health – Awarded \$1,200,000 (for 3 years). Principal Investigator for 2 years and Co-Investigator in year 3. Project Evaluator for entire project. Twelve minority community based organizations were provided seed funding for HIV prevention projects, capacity building training, and fiscal training, grant development, organizational assessments, and board leadership development. Through this initiative 22 “new” public health programs were developed of which 5 faith based HIV prevention

CURRICULUM VITAE

initiatives in New Orleans. The 12 organizations generated a total of \$2.1 million in extramural funding resulting from this capacity building program.

- 2001 **Advanced Nurse Anesthesia Program – HRSA Grant** – Awarded \$919,000. Co-Investigator/Director and Project Evaluator. Funded development of nurse anesthesia program with an annual admission of 50 students.
- 1999 **Making a Difference - Orleans Parish African American Male HIV/AIDS Prevention Initiative** (99092) - Funded by the Centers for Disease Control and Prevention to Brotherhood, Inc. – \$233,000. Principal-Investigator. Developed HIV prevention community outreach program. Program enrolled over 500 men during 3 year period, distributed over 800,000 condoms, 75,000 bleach kits, and provided HIV testing for over 300 African American men with an HIV infection rate ranging from 3% to 22% depending on venue of population outreach. Provided early entry into HIV treatment resulting from testing.
- 1999 **The Men of Color AIDS Prevention Project - MOCAPP** (99091) - Funded by the Centers for Disease Control and Prevention to Brotherhood, Inc. - \$77,000. Co-Investigator and Project Evaluator. Developed a train-the-trainer curriculum that has been adopted in Jackson and Biloxi, Mississippi, Texas, and Oakland, California. Trained over 300 community members and leaders in HIV prevention and men's health.
- 1998 **Educational Enhancement of the Bachelor of Science in Nursing Program through the Utilization of New Media Technology** - Funded by LEQSF - \$58,000. Principal Investigator. Developed a nursing multi-media laboratory.

Grants Approved but Not-Funded:

- 2000 **Advanced Public Health Distance Education** – HRSA Grant Submitted – Not funded. Principal Investigator.
- 2000 **Doctoral Distance Education Grant** – Louisiana Board of Regents – Not funded. Co Investigator– grant writing and implementation.
- 1998 **Community-based Nursing Faculty Development and Internship Program: A Collaborative Model Between Service and Nursing Education** - Helene Fuld Health Trust - Letter of Intent accepted - Proposal not funded. Co-Investigator – grant writing.
