JBI System for the Unified Management, Assessment and Review of Information (SUMARI)

Go to  https://www.jbisumari.org/

Clicking on Tutorial will take you to the following page:

Select which (or watch them all!) tutorials to view:

Logging in and creating a project
Developing your protocol
Performing study selection
Performing critical appraisal
Performing data extraction
Performing meta-analysis
Performing qualitative synthesis

(and more being developed....)
NOTE: You can subscribe to the monthly updates to SUMARI via the newsletter.

You can login to SUMARI from this page:

Or from this link: https://sumari.joannabriggs.org/

And you can access the FAQs from:
Which looks like this (click on each topic to expand):

NOTE: You can use the Login feature from every page.
