

THE SPINE HOSPITAL
OF
LOUISIANA
at The NeuroMedical Center

Confidentiality Statement

As an employee, contractor, observer or Committee Member of The Spine Hospital of Louisiana, you have access to confidential information. All hospital business must be kept strictly confidential.

It is our policy to safeguard all information concerning the health of our clients and the business operation of our company. Casual discussion of patient or company business is unacceptable. All employees, contractors, observers and independent auditors are required to sign this agreement of confidentiality.

Any violation of confidentiality seriously injures the company's reputation and high standards.

Because of its seriousness, disclosure of confidential information will lead to dismissal from the company and possible legal charges.

All documents and equipment are the property of the company and are to be returned to the company upon resignation, termination or completion of audits.

As an observer it is understood that no patient contact is allowed. This will be strictly enforced.

Your signature below is your testimony that you have read and understand this statement.

I have read and understand The Spine Hospital of Louisiana's Confidentiality Statement Policy.
