

**Room A Poster Presentations:**

1.	Improving the Symptoms of Depression Using a Physical Activity Routine: Education and Implementation of Recommended Guidelines for Primary Care Providers	Dominique Anderson
2.	Intravenous Tranexamic Acid Administration in Decreasing Perioperative Blood Loss in Patients Undergoing Orthopedic Hip Surgery: A Recommended Administration Guideline	Cody Aucoin
3.	Improving Behavioral Health Unit Outcomes: Reduction of Aggressive and Violent Behavior among behavioral health unit staff members and other patients: a best practice implementation project	Jennifer Badeaux
4.	Improving Oxygen Saturation Levels in the Post-Anesthesia Care Unit (PACU): Modified FiO2 Administration during Emergence and Extubation in Patients at High Risk for Post-operative Pulmonary Complications	Lauren Basile
5.	Implementation of a Standardized Protocol for Management of Adult Patients with Type II Diabetes Mellitus in the Preoperative Period: A Knowledge to Action Project	Jessica Bodenhamer
6.	Do No Harm	Monchienne Bolds
7.	Use of a Checklist to Determine Eligibility of the Sphenopalatine Ganglion Block in Parturient Women Suffering from a Postdural Puncture Headache	Whitney Boudreaux
8.	Improvement of Waste Segregation in the Operating Room	Lauren Cage
9.	Implementation of the American Pain Society and American Society of Anesthesiologists Clinical Practice Guidelines for Postoperative Pain Management in Total Knee Arthroplasty: A Knowledge to Action Project	Michael Claudet
10.	Mindfulness in Nurse Leadership: the Relationships Between Trait Mindfulness of Nursing Leaders and Nurse Subordinate Outcomes	John DiLeo
11.	Preventing Intraoperative Central Line Infections: Utilization of the Curocap in the Operating Room	Ashley Easterling
12.	Implementation of the International Society for Sexual Medicine's Guideline for Testosterone Deficiency in Men: A Knowledge to Action Project	John Easterly
13.	Use of the Ultrasound to Increase the Success of Inserting an Epidural on the First Attempt	Abby Elzey
14.	Implementing a Clinical Ladder in an Academic Medical Center	Joe Epling

**Room B Poster Presentations:**

15.	Implementation of a perioperative enhanced recovery after surgery checklist for radical cystectomies: A knowledge to action project	Brittany Furca
16.	The Implementation of the Diabetic Foot Care Examination in an Internal Medicine Clinic	Mattie Girod
17.	End Tidal CO2 Monitoring in the Post Anesthesia Care Unit (PACU)	Emily Hendricks
18.	Reducing Cough During Emergence Utilizing Intracuff Lidocaine: A Knowledge to Action Project	Keenan Holmes
19.	Development of Comprehensive Burn Center	Scott Hunter
20.	Goal-directed intravenous fluid management in patients undergoing neurosurgical procedures requiring prone position: Translating Evidence Based Knowledge into Practice	Corey Julian
21.	The Unique Needs of LGBTQ Individuals and Their Loved Ones Facing End-of-Life	Harlee Kutzen
22.	Translating Evidence into Practice: Anesthesia Provider Education on the Benefits of LTA Lidocaine to Reduce Coughing on Emergence in Smokers undergoing General Endotracheal Anesthesia	Emily Lander
23.	One Lung Ventilation: A Clinical-Practice Guideline to Prevent Intraoperative and Immediate Post-Operative Hypoxia	Andrew Larkin
24.	Improving Second Trimester Perinatal Depression Screening: A Quality Improvement Project	Brittany Loupe
25.	Implementation of an Evidence-Based Checklist to Reduce Visible Periorbital Edema and Peak Airway Pressures in Patients Undergoing Robot-Assisted Laparoscopic Pelvic Surgeries Requiring Steep Trendelenburg	Katelyn Luckado
26.	Implementation of Recommended Guidelines for Pneumatic Otoscopy Usage: A Knowledge to Action Project	Teresa Marshall
27.	Implementation of the 2013 ACC/AHA Guideline to Reduce Atherosclerotic Cardiovascular Risk, using an ASCVD Risk Calculator to Guide Initiation of Statin Therapy, for Primary Prevention	Olga Martinez
28.	Education on best clinical practices for effective communication to enhance cultural competency among certified registered nurse Anesthetists (CRNA's) for Lesbian, Gay, Bisexual and Transgender (LGBT) patients in the preoperative setting: A knowledge to action project	Irene Morgan

**Room C Poster Presentations:**

29.	Implementation of an educational tool to improve the dietary management of diabetic patients at a primary care clinic: A quality improvement initiative	Destiney Mundy
30.	Improving Hepatitis C Screenings in the Primary Care Setting: A Quality Improvement Project	Hannah Ngo
31.	An Evidence-Based Naloxone Administration Algorithm for use in the Immediate Phase 1 Recovery Period: A Knowledge Translation Project	Sara Nicoles
32.	Cornerstone of Cultural Competency During the Disaster Cycle	Stephanie Pierce
33.	Perioperative anesthesia care using the Enhanced Recovery After Surgery(ERAS) Protocol for the gynecologic surgery patient	Phillip Podret
34.	Enhanced recovery after surgery in laparoscopic assisted vaginal hysterectomy and robotic-assisted laparoscopic hysterectomy cases to decrease post operative nausea and vomiting	Justin Pompa
35.	Implementation of the Clinical Opiate Withdrawal scale (COWS) Screening Program: A Quality Improvement Project	Keithen Potts
36.	Screening for Intimate Partner Violence (IPV) Among Pregnant Woman in an OB-GYN Clinic: A Quality Improvement Project.	Patrice Robinson
37.	Implementation of a Depression Screening Tool to Increase Early Detection and Treatment of Depression in Adults in the Primary Care Setting: A Quality Improvement Project	Sharelle Robinson
38.	Implementation of the U.S. Department of Health and Human Services Guidelines for a Smoking Cessation Program in a Rural Primary Care Clinic: A Knowledge to Action Project	Jennifer Roche

**Room C Poster Presentations Continued:**

39.	Improving the Success Rate at First Attempt Tracheal Intubation in Patients with Unanticipated or Suspected Difficult Airways: Analysis for Hospital Protocol	Amanda Rome
40.	Implementation of a Best Practice Guidelines for Management of Intraoperative Blood Glucose in Ambulatory Surgical Patients with Type II Diabetes Mellitus: Knowledge Translation Project	Rachel Rome
41.	Intraoperative Anesthetic Management of Adult Neurosurgery Patients Requiring Neurophysiologic Monitoring: A Knowledge to Action Translation Tool	Margo Sanders
42.	Evaluation of the Edinburgh Postnatal Depression Scale, Compared to No Formal Screening Tool, on Detecting Depression and Facilitating Treatment Interventions and Referrals	Leslie Sanvi
43.	Interprofessional Education and Application of Best Practices for the Parturient Receiving Epidural Anesthesia: Knowledge to Action Project	Lauren Thompson
44.	Sexual Health History Questionnaire and Preexposure Prophylaxis(PrEP) Clinical Guidelines Implementation Within an Adult Primary Care Setting: A Quality Improvement Project	Hieu Tran
45.	Multimodal Ventilator Technique for the Prevention of Atelectasis	Elijah Vincent
46.	Improving Handoff Communication Through Standardization: I PASS the BATON	Barbara Williams
47.	Impact of Restricted Mobility Simulation on Nursing Students' Attitudes Toward Older Adults	Michelle Wydra
48.	A Comparison of the Health Promoting Behaviors of Chinese American and non-Chinese American College-Aged Students	Emily Ilgenfritz
49.	Implementation of Best Practice Checklist of Proper Placement of a Bair Hugger.	Renato Phua
