Submission Format

Abstracts (350 words) should address the following criteria, based on the type of abstract submitted:

Research focused abstracts:

- Short specific Title
- Objective/Aims: Statement of the study's objective
- Background: Hypothesis, or a description of the problem
- Methods: Study design, including a description of participants, procedures, measures, and appropriate statistical analyses
- Results: Specific results in summary form
- Discussion/Conclusions: Description of the main outcome(s) and relevance to nursing

Practice/Quality Improvement Project abstracts:

- Short specific Title
- Objective/Aims: Statement of the study's objective
- Background: Description of the problem
- Methods: Project design, including a description of participants, procedures, guiding framework and/or clinical guidelines (as applicable), outcomes measures, and appropriate statistical analyses
- Results: Specific results in summary form
- Discussion/Conclusions: Description of the main outcome(s) and relevance to a specific nursing practice area the relevance of this topic to enhance theory application, research, education, or practice

Abstracts must be submitted on-line use the following link:

<https://nursing.lsuhsu.edu/Apps/Research/AbstractSubmission/STTI/>

Abstract Selection and Notification

The Program Abstract Selection Committee **reserves the right to accept abstracts as a podium or poster presentation**. The presenting author on the abstract will be notified by email on or around **January 29, 2021** if the abstract is accepted. Once notified of acceptance of either a podium or poster presentation, you will be expected to present in the format approved upon confirming your acceptance.

Confirmation of acceptance by primary author: Required by February 5, 2021.

- Presenters are required to register for the program and be responsible for their own registration.
- Podium session (if accepted):
 - Electronic file of presentation content and CE requirements including conflict of interest forms will be due March 15, 2021 for accreditation purposes.
- Poster session (if accepted):
 - Your poster must display all information.
 - You will be expected to create a 2 to 5-minute recording of a voice-over presentation of your poster.
