Once again, our BSN students have represented LSUHSC-School of Nursing in a stellar manner at the Louisiana Association of Student Nurses Conference. Congratulations to all on such a wonderful achievement. The nursing school will soon have a display case to showcase all our student awards.

In addition, we have several faculty who will be recognized as Great 100 Nurses this month: Marti Miller, Jean Cefalu, Gerald (Jay) Guidry, Alma Nixon, Jennifer Badeaux, Kimberly Cheramie, Andrew Pitt, and Julia Tipton. These student and faculty accomplishments are truly representative of our nursing school brand, “Leaders Defining the Art and Science of Nursing.”

As you can see, the nursing school renovations continue to proceed. We expect these to be completed before the end of the semester.

We will send four students to the NSNA Mid-Year meeting.

Ms. Cefau has secured School of Nursing grant for $143,000 by the Centers for Medicare and Medicaid Services (CMS) to train nursing staff in Louisiana nursing homes in comprehensive skin care and wound management. The funding supports the training around the state. The state of Louisiana ranks 49 out of 50 in the prevalence of pressure sores, with 11-13% prevalence, according to CMS.
Email notice:

There is a nurse at ILH who has been receiving emails intended for me. If you’re using global to look me up I’m listed under Catherine Lopez not Cathy Lopez and my email address is clopez@lsuhsc.edu.

Candidates for December 2012 Graduation please monitor the graduation web page for updates. It is a policy of LSUHSC that the Dean of each school is the only person who can excuse a student from the mandatory activities associated with graduation, which include rehearsal, awards and graduation ceremonies. If you are unable to attend these events, you must ask for permission to be excused in writing to Dr. Demetrius Porche at dporch@lsuhsc.edu. Anyone who does not follow this procedure is subject to having their diploma and transcript held by the registrar.

SGA Updates

The next SGA meeting will be in Seminar Room 10 on Nov. 5th from 12-1pm.

We will be taking nominations for the SGA Executive Board’s open positions: President, Social VP, Historian and Treasurer. If students would like to run for a position they must attend the meeting. If class is conflicting with the meeting, the student needs to email Meagan Hingle (mhing1@lsuhsc.edu) in advance.

We will also have a guest speaker, Captain Jonathan Pellum from the New Orleans area Air Force Officer Training Corp (ROTC) to talk about opportunities in the Air Force, including the benefits of service and even scholarship opportunities for nursing students. Air Force Nurses, Maj. John Lawson and Capt. Shawnice Shankle, who are both working on Air Force Sponsored Graduate Degrees at LSUHSC, can speak to the specifics of how the nursing admissions process works and the average day in the life of an Air Force Nurse!

According to the American College Health Association, suicide is the second most common cause of death among college students. This presentation is recommended for all students who would like to increase their awareness and skills regarding suicide prevention.

Ms. Mangum will be discussing:

- The risk factors & warning signs for suicide
- How to talk about suicide prevention to others
- Local, regional & national resources regarding suicide awareness & prevention

**PAL Representatives:** Please put this on your schedule now and encourage your classmates to attend as well.

**PAL Mentors & Faculty:** Please disseminate this information to your students as quickly as possible, and encourage students to attend.

If you have any questions, please contact me at (504) 568-8888 or lgarni@lsuhsc.edu. Thank you!
