Dear Students

Welcome to LSUHSC School of Nursing for all newly admitted students and a warm welcome back to all our returning students! This fall 2013 semester will be a busy and exciting semester. On November 2, 2013 at 7 pm, our nursing school will be celebrating 80 years of nursing education. Please plan to attend and invite your family, friends, and alumni. For more information on the 80th celebration, [http://nursing.lsuhsc.edu/Special/80thAnniversary.html](http://nursing.lsuhsc.edu/Special/80thAnniversary.html). In December, the first post-masters Doctor of Nursing Practice (DNP) class will graduate. We will also be hosting an initial accreditation on-site visit on October 21-23 by the Commission on Collegiate Nursing Education. The nursing school administrative team and faculty are completing the 2013 to 2016 strategic map. This new strategic map will provide our direction over the next three years. This semester we will begin the utilization of our new clinical simulation labs located on the second floor of our nursing building. Renovations continue in the nursing school to improve the third floor and one of our lecture rooms. We are planning to support several undergraduate nursing students to attend the Louisiana Association of Student Nurses Conference this fall semester and already making plans to send students to the National Student Nurses Association Convention in April 2014. I encourage all students to focus on your studies but to be an active member of the LSUHSC School of Nursing community - get involved in SNA, SGA, and attend some of the stimulating presentations that occur within the Health Sciences Center - we are truly privileged to be in an environment that has exposure to national and international leaders that are on the cutting edge of health care.

Enjoy your semester.

Demetrius

Demetrius Porche, DNS Professor and
Welcome to the fall 2013 semester. We’re happy to see everyone back on campus.

There are lots of wonderful activities planned in the upcoming months. All are encouraged to participate.

The Bookstore has extended hours this week. They will be open on Saturday August 17, 2013 from 10:30am-1:30pm. Rashad Ketchens will be there to assist any student who is scheduled to graduate in December 2013 with ordering diploma frames, invitations and other items.

Please see page below for more news from Dr. Lopez.
Several students have asked questions concerning where they can study on campus.

- The library is open to all students and has two new rooms that have white boards just behind the coffee shop
- The 3rd floor atrium
- The new 2nd floor entrance to the School of Nursing has three separate seating areas including sofas, and tables and chairs
- The 4th floor has 3 student lounge areas; and
- Beginning Monday April 22, 2013, students can reserve one of the following classrooms for group study: 4A1, 4A9 and 4B3. If you are interested in using one of these classrooms you must schedule it through Ms. Lynn Cuiellette at 504-568-4148, or email her at LCuiel@lsuhsc.edu.
- Students are encouraged to be safe and leave campus at a reasonable hour. Campus Police are available if you need an escort to your car.
- No one is allowed to sleep in any of the building on campus with the exception of students who are on campus housing residents.
- Please be respectful and study in the common areas open to all on campus and within the School of Nursing.
- The Medical Education Building is under the jurisdiction of the School of Medicine and Allied Health (floors 6-10 in the School of Nursing and Allied Health Building) is under the jurisdiction of the School of Allied Health.

Pay-for-Print driver for Mac

There is now a Pay-for-Print driver available for Mac. This will enable you to print from your personal laptop to the Pay-for-Print system at the School of Nursing.

Instructions for both Mac and PC are available at this link:

http://nursing.lsuhsc.edu/Help/General.html#4k
Dress Code

Fall is here and this is a gentle reminder that the School of Nursing has a dress code that all are expected to follow. All of us agreed to abide by the policies and procedures of the school and the health sciences center.

Any student showing up for class, tests, or exams is subject to being turned away if you are inappropriately dressed. The dress code policy is in the student handbook.

Some examples of items being worn that are not allowed: short sports shorts, tank tops, pajamas, slippers, tight fitting exercise pants/shorts with short tops, and torn tattered clothing.
The school of nursing is a professional school. Please do your part to support the mission, vision and core values of the school.

Core Values are the beliefs that describe, define, and direct our work through the university and its operations. Essentially, values underlie what are primary to our belief system. The word value comes from the French verb, valoir, meaning "to be worth." Valor and worthiness guide the work we do. Through our mission, philosophy and sharing of experiences, LSUHSC, School of Nursing has discovered and unearthed its Core Values. As a fundamental set of guiding principles, Core Values provide direction and purpose. (C-PRIDE).

There are numerous places on and off campus to eat; the class room is not one of those areas.

Thank you for taking pride in being a part of the LSUHSC-SON and exhibiting C-PRIDE on a daily basis.

New Student Organization To Promote Diversity and Understanding

Jacob Rickoll (SON Class Dec. 2015)

The LGBT+Ally Organization for Cultural Understanding in the Health Sciences (LOCUS) is a student organization aimed at advancing awareness and understanding of and for the LGBT community at LSUHSC and in New Orleans. Our goal is to serve at LSU by educating future healthcare professionals of the specific concerns of LGBT individuals and to serve the community through multiple outreach programs with local organizations. Finally, and perhaps most importantly, we strive to foster an environment that supports LGBT individuals at LSUHSC, with strict confidence, and provides them with a safe place in which to grow as healthcare professionals. If interested or if you’d like more information, please contact Jacob Rickoll (jrick3@lsuhsc.edu) or the School of Nursing’s LOCUS faculty advisor Cathy Lopez, DHEd, RN (clopez@lsuhsc.edu).
LSU Nurses’ Notes
